

Chittering Valley Wine Trail Experience

- 9.30am** Depart Perth traveling along Great Eastern Highway, through Guildford and Midland and then head north along Great Northern Highway, through Bullsbrook and along Chittering Valley Road.
- 10.30am** Arrive at your first winery **Kyotmunga Estate**. Located on an elevated site overlooking the Brockman River and the Avon Valley National Park this winery offers one of the most spectacular views in the Chittering Valley. The property was originally a citrus orchard but is now planted with three hectares of wine grapes and 200 olive trees. Wine, olive oil, olives, dukkah and citrus fruit in season are all available for tasting and sales at cellar door.
- 11.15am** Next winery to visit on the trail is **Western Range Wines**, initially established in 1998 the wines produced here are gaining much recognition for the Perth Hills region with a string of awards and accolades. It is also the only winery in the Chittering Valley to produce and organic wine.
- 12noon** Looking for something to eat? **Stringybark Winery & Restaurant** offers a unique combination of wonderful food and award winning regional wines located amongst the vines and surrounded by natural bush and local birdlife.
- 1.30pm** **White Dog Farm Fine Wines** a small boutique vineyard grew from humble beginnings in 1999 when the first cabernet sauvignon and merlot vines were planted. This modern cellar door sells limited numbers of vintage methodé traditonalle, rosé/light red and cabernet merlot blend. A small number of olive trees were also planted in 1999 and over the last 5 years White Dog Farm has also been producing award winning extra virgin olive oil.
- 2.15pm** Finish the day at **Briery Estate** set in the verdant hills of Bindoon in the Darling Ranges the vineyard produces a variety of excellent classic and new style wines. The red wines are rich and plummy whilst the whites tend to be luscious and aromatic. The estate also produces a Port and Muscat which are also a must to try.
